## Wednesday Programs Kick Off: Sept. 5 with Food Trucks

## HOPE COTTAGE

### - A MOST SPECIAL PLACE

*Count it all joy, my brothers, when you meet trials of various kinds. — James 1:2*

How many of you have asked, "Why me Lord," then turned right around and put your faith in Him? That is exactly what Barbara Shepherd did when she became ill and near death last summer after hemorrhaging and needed a liver transplant.

MUSC called Barbie with word there was a donor... but, there was a five-month-old ahead of her. On June 12, she shared the donor's healthy liver with the baby. Doctors say they've never had a patient bounce back the way she has. Eight days after walking into MUSC, she walked out... and into Hope Cottage, which she calls "a most special place."
