

Weekly Youth Resources

During the week the youth will have a lot of extra time at home, even when there is virtual church stuff, I hope that these additional resources will help with some of the down time. These are activities that I will update weekly.

What Our Director of Youth Ministries, Courtney Kraus is "liking" this week:

1. Confirmation Class of 2020 Certificate pick up
2. "The Risks- Know Them- Avoid Them"
3. "Making Memories" Activity Page

1. Confirmands are invited to stop by the steps of the sanctuary on Friday May 15th to pick up their Confirmation certificate and end of the year goodie bag. Swing by the church between 11-1

2. I found the very interesting article about COVID-19 and states opening back up. I hope you will share this information with your friends and family!

3. Enjoy some great home activities brought to you by the Presbyterian Youth Workers Association. Youth from all around the world will be doing these activities.
