

*Kinyago-Dandora Schools*

Kinyago-Dandora Primary and Secondary Schools (KDS) lift children and their families from a place of hopelessness to personal achievement through the catalyst of Christian education from nursery to university. For families residing in slum settlements, even the basic necessities are not possible for many reasons: acute poverty, home-life situations and unemployment.

KDS programs provide an excellent holistic education including healthcare, clean water, food and nutrition.
