

*Medical Missions, Trinidad de Copan*

MPPC has a longstanding partnership with the villages in Trinidad de Copan, Honduras. Over the years, MPPC has provided medical care to these communities by sending a medical mission team. In 2019, our Honduras medical and pharmacy teams served over 883 men, women and children. Our pharmacy filled 2,798 prescriptions and our dental team provided over 1000 patients with fluoride treatments. In addition, we provided approximately 500 pairs of reading and sunglasses.
