FROM THE PASTOR

Are You Willing to Go There?

"Teacher, which commandment in the law is the greatest?" He said to him, "'You shall love the Lord your God with all your heart, and with all your soul, and with all your mind.' This is the greatest and first commandment. And a second is like it: 'You shall love your neighbor as yourself.' - Matthew 22:36-39

Dear Church Family,

A minister I have a lot of respect for once told me, "Look for God at work and go there!" I share that in the form of a challenge. *Where do you see God at work and are you willing to*

"go there"? Perhaps it is volunteering to help with children and youth, participating in our music ministry or being a part of another ministry or outreach right here at MPPC. The answer is found between you and God.

I see God mightily at work, in our own local and international missions. For me, engagement with our mission partners presents a special opportunity to see God at work and to join God in that work. I have found that *it's not about what **we can do** for others, but what we can learn from them.* It boils down to one thing- relationships. Ask anyone who has been involved with one of our local mission partners or gone on one of our international mission trips and I think they will tell you- it's about building relationships. We learn about LOVE. Love for God, love for what God is doing in the world and love for one another.

MPPC has a long history of partnering with both local and international agencies that serve those in need. Since I have been here, I have seen special relationships built between team members and the people they serve. I have seen our church family, serve meals, stock food pantry shelves, tutor, and sponsor students, provide medical care, build houses, and much more! In all of that, what stands out the most are the relationships we have formed while *doing* that work. Not only do our outreach teams form bonds together, but we also grow closer to the people we are serving and working with. These are the kinds of relationships that are transformational for all. These are the relationships that God's intends for God's people to share and enjoy.

Friends, God is at work in the life, ministry, and outreach of MPPC! Even during a pandemic and the limitations COVID has placed on us, there are still many ways to serve. Head over to mppc.net/volunteer to see the volunteer opportunities available at MPPC or mppc.net/missions to learn more about our mission partners! If you have a ministry idea or a question about one of our current mission partners, please let me know. I would *love* to work with you and help you discover where you see God at work today! Challenge on, *LET'S GO!*

In Christ,

Pastor Bart Edwards
Associate Pastor & Interim Head of Staff

Disciple Ship & the Mighty Dinghy!

10-10:50 a.m. on Sundays

Grades K-5

Welcome to Sunday's Disciple Ship, where children in grades K-5 discover what it means to be a disciple of Jesus in a new format with new curriculum! Children meet and gather in their graded classrooms for Bible stories and craft and mission activities that connect their Bible story to life. Children will be divided into disciple "families" where they will learn specifics about their disciple's family. The 'families' are based on grades: Kindergarten, 1st Grade, 2nd Grade, 3rd Grade, 4th Grade, 5th Grade. (Grades will be combined based on size and need).

Curriculum for children's Sunday Morning ministry will be the PCUSA *Follow Me* curriculum. This brand-new material looks at biblical practices for faithful living. In simple words, children will learn about the practices of Jesus and hear how Jesus said we can be his faithful followers. Some of the practices include Following Jesus, Welcoming All, Confession, Hope, Baptize and more!

Preschool

The Mighty Dinghy's, our Sunday morning preschool program, will use the *Follow Me* preschool curriculum of the PCUSA and will stay in their classrooms throughout the hour as they hear God's Word and have some playtime getting to know their new friends. (Classes include 2's, 3's, and 4's).

Nursery and Childcare

Nursery and childcare is available for toddlers and infants during the 10 a.m. education hour.

Disciple Ship – *This is a play on words, but we believe children's ministry is like a ship that children are on as they learn about Bible stories and what it means to be a disciple. Ships stop in ports and travel abroad; children will stop in cities and "see" where the God News of the Gospel stories happened.*

Mighty Dinghy – *Everyone needs a Dinghy if you are out on a boat. A dinghy gets you from one boat to another and can get you to land when your boat is too big. We believe our preschool children are moving from the familiarity of home into a new church "family." They are also just beginning to hear stories about God's amazing love! Our Mighty Dinghy will move preschool children into a wonderful, God-filled place called church.*

Wednesdays at the Well Modified!

Because of our recent surge in COVID, the children's program on Wednesdays is modified for the time being. Dinner and Vespers will not be part of the fall startup but look for their return in the coming months. Here's a quick look at the **MODIFIED** children's fall schedule and group descriptions:

- 4:45-5:30 p.m. JAM (grades K-2)
Kids Alive (grades 3-5)
- 5-5:30 p.m. Angel Notes (Preschool Choir)
- 5:30-6 p.m. Kingdom Choir (Elementary),
Bible Time & Crafts (Preschool)

ALL Wednesday's Children's activities will be OUTSIDE when possible. Children should bring a face mask in case we do need to go inside for some reason. **Registration is now open on Realm for children and adults.**

JAM (Jesus and Me) is our Wednesday night program for K-2nd grade children. They will enjoy a fresh look at Bible stories and craft activities that help children learn Bible truths in a powerful way.

Kids Alive (Grades 3-5) will bring a new "youth group" format to older elementary children that includes a range of activities including recreation, art, and study. The focus for Kids Alive will be a creative and engaging discovery of the 66 books of the Bible! Not only will children be able to know the Books of the Bible in order, but they will also be able to tell the broad storyline for each book!

"Falling" Into Youth Ministry

It has been fun reflecting on the summer we have had together at MPPC CornerStone Youth Ministry. It felt great to go to all of our youth trips and gather for summer ministry. Even though we are unsure about the direction of COVID-19, let's take a moment to pause and be grateful for the summer we shared together, which after last summer was such a blessing.

This shows that we must enjoy every moment we have together because we never know what will happen tomorrow, this of course was true before the pandemic, but I believe that the pandemic has taught us that importance again.

My prayer for all of the youth this school year is to love others, love Jesus and enjoy life... after all that is what we are called to do as His disciples. I look forward to kicking off the fall program year with all youth and advisers!

How we are protecting ourselves and others from COVID:

- Masks will be worn correctly (with nose and mouth covered) anytime we are indoors or in vehicles together
- Any snacks/meals we have will be outside
 - ex. BIB will be held on the porch of GH
 - ex. Prayer Breakfast will be outside in the FH loop
- Trips/Retreats will be monitored and are subject to change at any point due to the rise in COVID cases
- Please note that even though the schedule is planned for the year it can be adjusted and changed depending on where we are in the pandemic
 - ex. rise in cases in schools, etc.
- You are responsible for notifying Courtney any time you have COVID symptoms or if you have been in direct contact with someone and you have been attending youth events.

Adult Faith Formation and Discipleship 2021-2022 - Updated Since August!

We believe the deepest, most meaningfully rich life we can live begins with Jesus Christ. In a broken world, one can experience complete love that can fill our heart and spirit beyond measure through Christ. It begins by knowing Christ and having a personal relationship with him where we know him like we know our best friend or significant other.

We offer adult faith formation opportunities that connect faith and life to deepen and experience God's amazing love. Through Small Groups and Focus Groups, people gather for Bible study, conversation, and fellowship. Central to all groups is a deep desire to be the hands and feet of Christ, welcoming the stranger, and to be in the community to which we serve. Our intent is to make, and to minister to, disciples for Christ in all walks of life.

It is out of gratitude that we worship God and want to be more like Christ. We hope you will plan to participate in adult faith formation this fall. It can happen 24/7, on campus and off campus, in person and online. The opportunities are rich. Where would you like to get connected on your faith journey in adult faith formation?

Terms to Know This Fall

Small Group +1 – These groups are based on a small group concept; short studies and the group tends to offer support for group members. The +1 is the idea that no group should ever be closed; we should always be inviting others into our ministry and always make room for Christ. "Sunday School" will become a Small Group +1.

FOCUS – These are intentional, focused events and programs that happen less frequently than small groups. Men's Group, Older Adults Group, Gathering Around Books (GAB) are FOCUS groups.

GH – Grace Hall building

SB – Sea Brook building

Small Group +1 Opportunities Sunday Mornings | 10-10:50 a.m.

We have a designated education hour on Sunday mornings this fall! Whether you come before or after you worship, we are sure you will want to be part of the fellowship and friendships at MPPC in the Small Group +1 classroom.

THE MIDDLE

We are all in the middle of something. Some of us are in the middle of raising kids, our lives, taking care of parents etc. All of us are somewhere in the middle of our faith journey. This group explores and studies God's message for them in these seasons of life. The class will participate in *The Disciple Making Church* small group study. [SB 210](#).

THE HARBOR

The Harbor is an in-depth Bible study that includes presentation and discussion. Past studies included a look at Moses and a study of the book of Exodus. No preparation necessary

unless participants want to read ahead. The Bible is your study guide and text! [GH 222](#).

SEEKERS & SOWERS

This class explores the Bible verse by verse using curriculum and creative topics as its guide. This inductive Bible study follows three simple steps: observation, interpretation, and application. 1, 2, 3 John and a theme of "forgiveness" are on tap for this fall. [Starting via Zoom on 9/12](#).

ACADEMY OF ST. JOHN

This lecture-style class approaches Scripture through the lens of academics whenever possible while using DVD resources to deepen

the class presentation. Speakers from MPPC missions are scattered throughout the year. Studies include *Seeing Grey in a Black and White World* (Adam Hamilton), *The New Testament You Never Knew* (N. T. Wright) and *He Chose Nails* (Max Lucado). [SB 206](#).

CONNECT 3

This diverse class moves to the Parlor this fall as they study Scripture through thematic and topical studies. Among Bible studies this Small Group +1 class will use is the PCUSA curriculum *Follow Me* that looks at Christian Practices. The Wired Word, a weekly email study on current news in and around the

world, is also available to all participants. This class also engages in service opportunities, with scattered fellowship parties throughout the year! [Starting via Zoom on 9/12](#).

YOUNG ADULTS

NEW this fall is a class for young adults! While children and youth are connecting in their space, we hope parents and young adults of all walks of life will come together for fellowship, conversation, and study. We begin with one large group and learn about each other. In the following weeks, we will break into smaller groups as grow together in our discipleship and in the areas you request. [GH 123](#).

5-6 p.m. Small Group option (In Person and on Zoom)

7-8 p.m. Small Group option (In Person and on Zoom)

About the book: *The Disciple Making Church* explores discipleship and what it means to be a disciple and a disciple making church through the refreshing and creative authorship of Glenn McDonald. McDonald weaves vivid Scriptural insights and the wisdom of scholars as he looks at what Jesus really meant when he said, "go forth and make disciples." Participants will want to evaluate the way we live and minister as disciples by the end of the study.

PRESBYTERIAN WOMEN (PW) CIRCLES

The 2021-22 Presbyterian Women Horizons Bible Study is entitled "What My Grandmothers Taught Me: Learning from the Women in Matthew's Genealogy of Jesus." Tamar, Rahab, Ruth, Bathsheba, and Mary—Matthew names these women for a reason. How might Jesus have heard the stories of his grandmothers? What can these Grandmothers-of-the-Faith teach us? By exploring these stories together, we will gain a richer understanding of God's good news in Jesus Christ. Times vary, see below.

PW CIRCLE 2 - 3rd Tuesday at 10:30 a.m.

PW CIRCLE 3 - 2nd Tuesday at 2:30 p.m.

PW CIRCLE 4 - 2nd Wednesday at 9:30 a.m.

PW CIRCLE 5 - 2nd Thursday at Noon.

PW CIRCLE 6 - Tuesdays, 9:30 a.m. Six week study beginning 9/12 using different women's studies.

WHAT MY GRANDMOTHER TAUGHT ME

Grandmothers can have an important place in our faith formation. Their presence and their wise words can impact our life choices and our personal relationship with God for a life-time. In the New Testament, the Gospel of Matthew names specific women for a reason – Tamar, Rahab, Ruth, Bathsheba, and Mary. As we discover these women's stories, we can ask ourselves: How might Jesus have heard the stories of his grandmothers? What might the young Jesus have felt as he heard about his family? What might the stories of these women have added to his sense of identity, as part of a particular family in a particular time and place? I wonder if we have thought much about Jesus' grandmothers and what these grandmothers-of-the-Faith teach us? Their stories – *What My Grandmothers Taught Me* – will lead us into the gospel, the good news about Jesus Christ and we will have a richer idea of what the good news is.

Participants may wish to obtain a copy of the Horizons Bible Study *What My Grandmothers Taught Me: Learning from the Women in Matthew's Genealogy of Jesus* although this is not required. If you are a circle Bible leader or a circle member who will miss your monthly meeting, you especially will value the monthly study session. And take note: the class is NOT for women only. Register at mppc.net/events. Last Sunday of the month, August-April, 7 p.m. via Zoom.

September 26 - Tamar

October 31 - Rahab

November 28 - Ruth and Loyal Love

December 26 - Ruth and Redemption

January 30 - Bathsheba

February 27 - Mary

March 27 - Mary and the Faith Tradition of the Church

April 24 - What Are These Women Doing in a Place Like This?

WONDERING...

Sometimes we have questions about Scripture. Do I really believe that? Is that what really happened in the biblical story? What if scholars are shedding new light on how to interpret a passage, but that's not what I was taught? Or what if asking different questions shows a story in different light? Wondering is a Bible study where we encourage questions; it's a Bible study that might have more questions than answers. Bring your Bibles and an open mind as we explore the Bible! Register at mppc.net/events. 1st Monday of the month, October-May, 7 p.m. via Zoom.

CONNECTED THROUGH HOPE

“God is So Good!”

This is how Rick Porter feels after spending nearly eight months away from home, following his wife from one city and hospital to another as she battles an extremely active MRSA infection. During her five months in Augusta, Georgia in ICU at the Burn Center at Doctors Hospital, he says he “almost lost her five times.”

He found support at the Jeffrey Vaden Chavis House. It provides family members with a place to stay, much like Hope House. So when his wife was transported to this area, his new-found Augusta friends brought Mr. Rick to Hope House. We had just reopened. When we had to shut down again due to the new outbreak of COVID, the Ministry Team agreed that he should remain at Hope Cottage.

You may have seen him sitting on the front porch of Hope House, waiting for an Uber driver to take him to the hospital. Members of MPPC have enveloped him with kindness: taking him grocery shopping, bringing him clothes or frozen meals, or simply sitting and talking with him. In his words: “If it weren’t for the kindness of folks, I don’t know what I would have done.”

This area holds many special memories for this couple. It is where they met in the mid-1980s. She is a native Charlestonian who served 14 years with the Town of Mount Pleasant as a volunteer firefighter, an animal control officer and lastly as a police dispatcher.

In the past few weeks, they have marked their 35th wedding anniversary and her birthday. Mr. Rick says she is getting stronger every day. And he prays that one day, in the not-so-distant future, they will be able to go home again.
