# MPPC VOLUNTEER OPPORTUNITIES DIRECTORY

---

**“You go nowhere by accident. Wherever you go, God is sending you. Wherever you are, God has put you there. God has a purpose in you being there. Christ, who dwells in you, has something He wants to do through you wherever you are. Believe this and go in His Grace, His Love, His power and His peace.” - Rev. Bart Edwards**

In our Missional Church, we endeavor to be the hands and feet of Christ in our local community.

This brochure provides what every member of MPPC needs to know about volunteer opportunities in our local community.

The ministries described include our church partners as well as new ministries being actively supported by members of our congregation. Pick your ministry and get involved!

## WINDWOOD FARM

---

**About:** Windwood Farm provides help, hope, and healing through behavioral, educational and therapeutic interventions for children at its 110-acre residential campus in Awendaw. Licensed by DHEC, the team provides a multi-disciplinary approach to intensive treatment for psychiatric issues that are negatively affecting the child's personal growth and social development, in his family life, and his ability to achieve academic success.

**Volunteer Opportunities:** Throughout the year opportunities include helping with campus workdays, special events, fundraisers, organizing donation collections, and engagement/learning activities. Examples: fishing with the boys, being a reading buddy, or helping set up or working at the annual Halloween carnival. With a willing heart, Windwood will work with individuals or groups to make a great experience that fits the volunteer(s) and children alike!

## RED CROSS BLOOD DRIVES

---

**About:** The American Red Cross is a nonprofit humanitarian organization which supplies 45% of the donated blood in the USA. Currently, there is a national blood crisis—the worst shortage in over a decade, posing a concerning risk to patient care. With less than a one-day supply of critical blood types, doctors have sometimes been forced to make difficult decisions about who receives blood transfusions and who will need to wait until more products become available. This is why MPPC is on a mission to help save lives by hosting blood drives 4 times a year. This is a way to have an immediate and lasting impact on the community and individual lives. A blood donation is truly the gift of life!

**Volunteer Opportunities:** All are invited to donate blood for hospital patients in our neighborhoods and across the nation. Volunteers are invited to come help out at the next blood drive, even if you can't stay the whole time. We can always use people to help with check-in, greet donors, and help with snacks.

The time commitment is about 2 hours. ## DEE NORTON CHILD ADVOCACY CENTER

**About:** The mission of Dee Norton is to prevent abuse, protect children and heal families. The Dee Norton Center is a safe, child-friendly place to turn to when there is a concern about abuse. Dee Norton has two locations in downtown Charleston and Mount Pleasant. The professionals at Dee Norton take a full-spectrum approach to ensure that every person has the resources needed to help every single child. We believe that child abuse does not define who a child is or the person they are destined to be. It can be overcome but it takes all of us, together, working as one.

**Volunteer Opportunities:** Dee Norton is frequently looking for volunteers to help in the reception area where we play with the children and interact with the families to bring them peace and comfort before they meet with counselors or doctors. Volunteers can read books, play games, or just chat with the families. Volunteers are required to attend an orientation and pass a Child Abuse Registry background check before working with children in the reception area.
