Dear Church Family,

The writer CS Lewis wrote somewhere, "There are far better things ahead than any we leave behind." It is my prayer that this may prove to be true for every one of us, and especially for Mount Pleasant Presbyterian Church.

We have so much to look forward to at the beginning of 2024 after we celebrated the birth of Jesus the Messiah a few weeks ago. What a celebration did we have in worship in the Fellowship Hall!

May I state that I believe that MPPC is in a great place after all the upheavals of the past? Every time we gather, I experience a deep joy, happiness and excitement about what God is doing in and through us.

Many young families are finding a church home at MPPC. We care about our young families and their children and invest a sizeable part of our yearly budget in the ministry to children, youth, and young families. After many months of searching, we have just added Glenna Durbin as director of Youth Ministries, and created an associate pastor position for young families and their children. Another team is searching for a director of children's ministries, after Lynn Wiard gave notice that she'll retire at the end of February 2024.

The Pastor Nominating Committee is busy searching for our next senior pastor. According to rumors, there are a number of self-referrals, as well as a bigger number of candidates that were matched to our congregation by the Church Leadership Connection. We pray for discernment for every member of the PNC who is working so diligently.

Many other ministries continue. We have local and international missions bustling with activity, to give expression to our believe that God loves this world so much that He gave his only Son...and we want to tell this Good News to the world.

Together, we explore in practice what it means to be **"a community of faith where all are welcomed and encouraged to actively live out God's love with energy, compassion, and joy."**

This vision gives me joy, thinking that indeed, we can expect better things ahead.

I am so proud of how far we have come, and of everything we have achieved. May we all experience God's presence as we find new ways to behave like an be a community of faith!

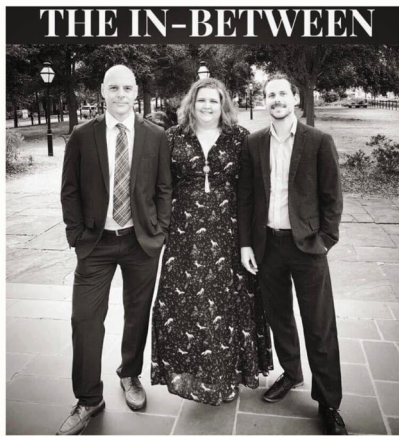

May 2024 be a happy year, with a little prosperity added as bonus!

Blessings,

VILLAGE CONCERT SERIES: THE IN-BETWEEN TRIO

Friday, January 26, 2024 at 7 p.m.

Village Concert Series on Friday, Jan. 26 at 7 pm

On Friday, January 26, 2024, The Village Concert Series will present The In-Between Trio at 7 p.m. at Mount Pleasant Presbyterian Church.

Charleston, SC based trio, The In-Between features classical soprano Jill Terhaar Lewis with jazz musicians Robert Lewis (saxophone) and Gerald Gregory (piano). The ensemble performs new compositions and arrangements by members of the ensemble.

In the spirit of recent collaborations between classical singers such as Renée Fleming and Anne Sofie von Otter with jazz musician/composers like Fred Hersch, André Previn, and Brad Mehldau, this group explores repertoire that lies both in and in between classical and jazz genres. Through open communication between the two art worlds of classical and jazz music, the program highlights the shared qualities and explores the differences while allowing the listener to enjoy these styles together in the same concert and even within the same piece.

The In-Between ensemble is a regular guest at the Piccolo Spoleto Festival. They perform frequently in the region and have toured in South Carolina, the Pacific Northwest, and last summer in Denmark. They have collaborated with local musicians and recently with Charleston's Poet Laureate Marcus Amaker on a program of Amaker's poetry in spoken form as well as original musical settings by Robert Lewis and Gerald Gregory.

Lenten Study – Meeting Jesus at the Table

Lent comes early this year with Ash Wednesday being February 14, 2024, and the Adult Faith Formation Ministry Team has selected our Lenten study: *Meeting Jesus at the Table*, by Cynthia M. Campbell and Christine Coy Fohr. A unique feature of this year's study is that we invite you to do the final readings at home during Holy Week; an opportunity to carry the message to the resurrection!

The PCUSA web site offers this about *Meeting Jesus at the Table*: The Gospels are full of stories of Jesus sharing meals with disciples, friends, even tax collectors and Pharisees. Whether multiplying bread to feed a whole crowd, relaxing with his inner circle, or telling curious elites stories about even greater banquets, Jesus imparts wisdom as he shares the wine and grants forgiveness as he distributes the fish. This eight-chapter resource provides biblical insights along with thought-provoking queries regarding our own time, such as whom should we invite to Sunday dinner and who is left out and left behind in our culture today.

Illustrations by artist Kevin Burns complement each chapter and invite further meditation on the Gospel story and its meaning for our lives.

"Reading Meeting Jesus at the Table is like going on a glorious progressive dinner. At each stop, we gather at a different table with Jesus, learning how to love, serve, and expand the hospitality of God's grace to others. Each chapter is like the perfect bite: delicious and satiating, insightful and nourishing. Add this study to your Lenten menu and enjoy the feast!"
– Magrey R. deVega, author of *Songs for the Waiting* and *The Bible Year: A Journey through Scripture in 365 Days*

We are currently seeking Small Group Leaders for our Lenten Program. Small Group Leaders facilitate each session, either in person or virtually. There will be two training sessions for small group leaders to help familiarize you with the curriculum and to offer ways you might make the study more meaningful for your small group. If you would like to be a Small Group leader, please contact Dan Wiard or Trish Snead in the church office or sign up through Realm.

Lenten Study FAQs

About Small Groups: Registration for Small Groups begins January 24, 2024. Participants can sign up for specific or "open" small groups via Realm or by contacting Trish Snead in the church office. You can access and sign up for a group facilitator through your Realm account by going to community/groups/2024 Lent Small Groups. An "open" group means that you are interested in that small group format (in-person or virtual) and are open to who facilitates your group. "Open" group registrants will be paired with a group. If you would like to facilitate a small group, please contact Dan Wiard or Trish Snead at the church.

Why Small Groups? Small groups are intimate ways to meet and fellowship with other people in the congregation. Conversations are easier; relationships can be deeper. Many small groups continue to meet throughout the year of each Lent.

How do you sign up for a small group? You will be able to sign up for a Lenten Small Group beginning January 24 or by contacting a Lenten Small Group Leader as they become listed in Realm. You can also stop by one of the Lenten Small Group tables on Sunday morning, February 4, or call the church office throughout the week to sign up for a small group. If you do not see a group that meets when you would like, we encourage you to consider facilitating a group that meets at a convenient time for you.

Is there a Kickoff to the Lenten Study? Yes, on Tuesday, February 13, Shrove Tuesday, there will be a kickoff in the Fellowship Hall. Details coming!

Continued on to page 4

connected through education

When and where do groups meet? All groups are asked to attend the Kickoff gathering Tuesday, February 13, in the Fellowship Hall. Outside of this kickoff gathering, groups can meet any place, any time. We ask that you coordinate times through the church office so others might join your group.

How often do small groups meet? Most small groups will meet weekly during Lent, which begins on Ash Wednesday, February 14. Groups typically meet six times in addition to the Kickoff on Tuesday, February 13. Some groups will include dinner or light refreshments, others might focus entirely on the lesson. Most groups last between 1-1.5 hours.

Is there childcare? Childcare is available and provided by the church for small groups that meet at the church by request.

Is there a cost to participate in the Lenten small group studies? We ask for a donation of \$10 to cover the cost of your book, *Meeting Jesus at the Table*. There is no cost for the Kickoff on February 13.

I travel. Can participate in the study while I am away from home? Yes. We hope to offer one or more virtual small groups.

Can I come to the Kickoff if I do not participate in a small group? Absolutely. We hope you will sign up to participate in a small group, but you are welcome and invited to the Kickoff. If you decide you would like to participate in a small group at – or after – the Lenten study Kickoff, we will get you in a group.

The Middle - Share the Dream: Shining a Light in a Divided World Through Six Principles of Dr. Martin Luther King, Jr:

Dr. King and the men and women around him were able to change history through the power of a dream that was not rooted in mere human principles. That dream was rooted in the love of God for all his children made in his image. Share the Dream™ is a video Bible study based on the life and teachings of Dr. Martin Luther King, Jr. Each session revolves around one of the biblical principles that shaped Dr. King's life and motivated him to speak on behalf of African Americans in the Civil Rights Movement.

Youngish Adults – Altar Ego: Becoming Who God Says You Are:

Many of us live for approval of others. The problem is that living for what people think of you is the quickest way to forget what God thinks of you. In this study, pastor and author of *Winning the War in Your Mind* Craig Groeschel shows individuals and small groups how to abandon self-worth based on accomplishments and possessions, turning instead to God to find out who we are. Participants will learn to expose false labels and selfish motives, sacrificing them on the altar of God's truth. As you discover your true identity in Christ, your altar ego will drive your actions, empowering you to live according to God's higher values with a deep confidence in His calling. Rather than living a timid, halfhearted, shallow cultural Christianity, you'll boldly live in the confidence of the God who believes in you. Are you willing to lay it all on the altar?

Connect 3 – When Christians Get it Wrong:

More and more young adults have opted out of Christianity and the church. The reason? Christians. When young adults talk about the problems they have with Christianity and the church, they often name certain attitudes and behaviors they believe are practiced too often by Christians: judging others, condemning people of other faiths, rejecting science, injecting politics into faith, and being anti-homosexual. With his familiar style, Adam Hamilton tackles these issues and addresses the how's and why's of Christians getting it right when it comes to being Christ in the world. Those who read *When Christians Get It Wrong* will gain a different way of understanding the issues that keep people away from Christianity and keep Christians from living a more compelling faith. Because, honestly, if we don't start getting it right, we may lose an entire generation.

The Academy of Saint John - Wondrium: Searching for the Historical Jesus:

Jesus takes you back two millennia to explore the history, context, and character of a humble carpenter who changed the world. Taught by Dr. Jean-Pierre Isbouts, a professor emeritus at Fielding Graduate University, these thought-provoking episodes, filmed in the Holy Land, bring Jesus and his world to life with vivid detail, offering an excellent companion piece for anyone wrestling with history or with walking in faith.

God's Goods Thrift Store

Ralph and Rev. Terri Wetherell, former members here at MPPC became familiar with God's Goods Thrift Store in Bluffton where Ralph's parents volunteered. They decided they were being Called to start a God's Goods here in Mt. Pleasant. In September 2022, God's Goods Thrift Store opened in Mt. Pleasant. It is located between Pattaya Thai Restaurant and the Aldi Grocery store.

All items sold are donated. God's Goods accepts used jewelry, furniture, housewares, toys, framed items, light fixtures and gently used clothing. The store is operated by 60 volunteers from several churches, MPPC, Palmetto Presbyterian Church where Ralph is a Commissioned Lay Pastor, James Island Presbyterian Church where Terri is an Interim Associate Pastor, Christ Church, and St Peter's Church, among others. All items in the store are priced affordably at less than their used-market value. Clothes sell for \$3 or less. Shoes sell for \$2. Clothes donated not in good shape are sold to a textile recycling company. The store is open Wednesday through Saturday from 10 in the morning to 3 each afternoon. With more volunteers a broader population could be served by keeping the store open till 6 pm once per week.

Since opening one year ago, \$62,000 has been donated and \$45,000 has been set aside in reserve. Sales continue to steadily increase. It is expected that next year, not having to reserve funds, that possibly \$100,000 will be given away. Recipients of God's Goods funds have included: MPPC's *Hope House*, *Hope to Home* which furnishes apartments for the homeless, *Boys/Girls Club*, *Hibben Methodist Church Warming Shelter*, the *Navigation Center* which assists and shepherds the homeless toward finding mental health, medical attention, and homes, *Grace-Based Grief Resources* for children which provides care packages for first responders to give to children, and *Doors to Freedom* providing assistance to people rescued from human trafficking.

All of the volunteers enjoy immensely working at God's Goods. We all are rewarded knowing we are caring for our brothers and sisters while having an enjoyable time. And, we all have made new friends.

Hope House Perseveres

*"Perseverance is the pathway to a new start because a new beginning often requires patience."
James 5:7*

"Challenges are present in our lives every single day and it seems we have all had more than usual in the last few years! Challenges require patience... and patience requires perseverance.

Some of our challenges at Hope House have been consistent with many other organizations, who rely on volunteers and financial support from others to maintain their missions. For the last few years, Hope House has been in dire need of volunteers and exterior maintenance! With the onset of Covid, declining financial support and a significant reduction in the number of volunteers, the Hope House ministry has seen some changes. The Ministry Team has diligently prayed for direction and guidance, and we are feeling our prayers are being answered!

In December, our volunteer needs were announced during a "Minute for Missions," and FIVE people from the congregation signed up to join our volunteer team! The congregation was also invited to an Open House, and we had a tremendous turn-out! FIVE more people signed up to volunteer!!! We are so thankful for every volunteer! They are the "heart" of the ministry!

Our exterior maintenance needs are being met by Jay Dunn and Connor Neal. Both are members of the Scout troop that meets on the MPPC campus. They are working on Hope House for their Eagle Scout projects. What a blessing and gift to Hope House!!!

SO...we enter 2024, grateful for the challenges... because they make us put our heads together with other team members to figure out WHAT needs to be done. We are grateful for patience...for which we prayed, and God so graciously gave us. And, most of all, we are grateful for being blessed with perseverance! It's so easy to feel defeated, but there are great rewards in perseverance!"

Merry Christmas & Happy New Year MPPC!

Red Cross Blood Drive on Monday, Feb. 5!

Dear Church Family,

The time is approaching for our Red Cross Blood Drive. Every two seconds, someone in the U.S. needs blood. That's why MPPC is on a mission to help save lives by hosting a blood drive **Monday, February 5 from 1-6 p.m.** This mission is a way to have an immediate and lasting impact on the community and individual lives and families.

All (church members, friends, neighbors, total strangers!) are invited to take part in this special event and donate blood for hospital patients in our neighborhoods and across the nation. The need for blood is constant, but only 3 percent of the U.S. population donates.
