This year you can choose your own accommodations by calling phone number **800 654-2924** and referencing the MPPC retreat and the group booking number of 22029. Calls will be returned within 72 hours in the order received. Kiawah offers villas ranging from 1-4 bedrooms, private homes (4-8 bedrooms) and even accommodations at The Sanctuary if you desire. You will receive a 10% discount off the published online rate, but you need to give them the group booking number. This rate will be available two days before and after the event dates; however, the extension of days for the 10% discount is not available on private homes.

One night's deposit is all that is needed to book the reservation. One person in the group can call to reserve the accommodation and pay the one night. That person will need to give the names of the others in the villa or house, but each can pay at time of arrival.

Deadline for registering is November 17, 2024. We strongly encourage all women to make accommodation reservations as soon as possible as they fill up and you might not be able to book the villa or home that you want. Remember that we are not the only ones at Kiawah doing those dates and others can certainly make reservations. Get your group together quickly and call!!!

2 bedroom villa starts at \$233 / night or \$426 for both nights depending on the location of the villa - ex: golf course view or ocean view.

3 bedroom villa starts at \$231 / night or \$462 for both nights depending on the location of the villa - ex: golf course view or ocean view.
