ORGANIST (Part-Time)

Mount Pleasant Presbyterian Church
302 Hibben Street
Mount Pleasant, South Carolina 29464

THE POSITION:

Mount Pleasant Presbyterian is a large missional church: we understand that the Church exists not to meet our needs, but to use our gifts to carry out God's mission in the world. Reflecting that mission and MPPC's 300-year history in the Lowcountry just outside of Charleston, South Carolina, the Organist supports and assists the Director of Music to maintain musical and fine arts programs both within the church and in concert with our community.

The music ministries of Mount Pleasant Presbyterian Church (MPPC) exist to glorify the God we know in Jesus Christ. Our faith formation is supported by our musical expressions in worship (congregational, choral, and instrumental), and through participation in musical ensembles for all age groups.

The Organist helps to lead MPPC's large music program under the supervision of and in partnership with the Director of Music Ministries, who plays a key role in creating and planning all MPPC's worship services – coordinating directly with church staff and volunteers.
